Greetings from Sunnyhill Angus Farm

Welcome once again to Sunnyhill Angus Farm and our 23rd annual production sale. We've always stressed the fact that we have stacked "generations of proven genetics" in our herd and this year's sale continues to prove that point. We feel it is our best bull offering ever and more elite females are being offered than ever before.

We hope you can attend, bring the family or friends, enjoy lunch and inspect the cattle, or just chat about the beef business.

As always, we stand behind the cattle. Complete data on ultrasound, yearling weights and pregnancy information will be available sale day and can be accessed prior to the sale by a call, email or visit.

Hope to see you at the sale!

Sincerely,

Kent, Wendy, Emily Schleich

THE BEST BULLS IN 73 YEARS OF SUNNYHILL ANGUS!

Plan now to be on hand Saturday, March 9, 2013, for the Sunnyhill Angus Farm Generations of Genetics 23rd Annual Production Sale at the farm near Fairview, Illinois. Featured will be 40 outstanding bulls, both yearlings and two-year-olds, including the most powerful calf crop ever born at Sunnyhill Farm. Established in 1940 with AHIR records since 1976, these bulls are fortified with the finest in breeding and performance selection. The pedigrees are stacked with leading sires for a combination of calving-ease, performance, maternal strength and carcass merit. In addition, an outstanding set of 50 females will sell including cow/calf pairs, bred cows and open and bred heifers, plus commercial females. Certainly this is one sale you can not afford to miss.

It is a pleasure and privilege to work with Kent, Wendy and Emily Schleich in the presentation of this impressive sale offering. If you have never been to Sunnyhill, this is the year to attend. If you have previously been to Sunnyhill, you definitely need to make a return visit in 2013.

Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance in any way. We are here to serve.

Yearling Bulls

- *The bulls were raised in a commercial type environment.
- *The bulls were evaluated and fed in a large contemporary group.
- *Complete performance info will updated on sale day including scrotal, yearling weight and ultrasound data. .
- *The bulls are semen tested by Bushnell Vet Service and are guaranteed breeders.
- *We encourage pick up of your bulls on sale day and offer a \$50 pick up discount, but for a fee we can board your YEARLING bull, at your risk, until May. We also offer a volume discount on 2 or more bulls. **We will be unable to board 2 year old bulls for more than a week.**
- *Visitors are welcome and encouraged at any time to inspect the cattle. Call, write or email for more information.
- *If you can't make the sale, we will be glad to visit with you over the phone and make purchasing arrangements. Jerry Cassady, Kurt Schaff, Phil Schooley or the other ring men will also be glad to help you with information about the cattle at any time and with bids on sale day. Their phone numbers are on the inside cover.

We really value our customers and like to recognize them in our sale book. The photo above features Wayne and Cheryl Ridle on their bicycle built for 3, along with their daughter

and granddaughter. The Riddles farm and raise cattle near Marietta and have been longtime bull buyers. In their "spare" time, they have been participants in the Illinois Farm Bureau Ag in the Classroom Bike Ride fundraiser and speak at grade schools along the way.
