Hello from Sunnyhill Angus Farm!

Welcome to our 27th Annual Production Sale. Its been another good year to be in the cattle business here at Sunnyhill. We've been blessed to have good crops, a great calf crop and, most important, great family and friends

Although market conditions are not what they were at their peak, the beef business is still profitable for producers who work at being a low cost producer. Of course, that means many different things to different producers.

We have always believed that selecting for balanced traits with attention to the details, such as disposition, udder quality and longevity is the key to success in the cow calf business. We feel that this year's sale offering of bulls and females meet that criteria.

Thanks for your interest, and, as always, visitors are always welcome and call anytime with questions or comments.

Sincerely,

Kent, Wendy and Emily

Comments from the Sale Manager

GENERATIONS OF GENETICS – THE 27TH ANNUAL SALE

Established in 1940, the Sunnyhill Angus herd is enjoying more than 75 years in the Angus business along with AHIR records that date to 1976. This 27th Annual Angus Production Sale held at the farm near Fairview, Illinois, will feature another outstanding group of bulls and females. Spring yearlings, fall yearlings and older bulls will sell with females that represent a cross section of the herd.

The pedigrees are stacked with leading sires for a combination of calving ease, performance, maternal strength and carcass merit. Highlights include several of the very best heifers ever produced and offered by Sunnyhill. I believe that this is an event that you will not want to miss. Sires include Quaker Hill Rampage, Werner War Party, Mohnen Impressive, Musgrave Aviator, Deer Valley All In, KCF Bennett Southside, Basin Excitement, Connealy Black Granite, Fort Knox and VDAR Cedar Wind, among others.

It is a privilege and pleasure to work with Kent, Wendy and Emily in the presentation of this solid sale offering that is sure to please. Undoubtedly you will be impressed with what you find.

Please don't hesitate to call on us at the American Angus Hall of Fame if we can be of assistance with your selections. We are here to serve.

Sincerely, Tom Burke Kurt Schaff Jeremy Haag 816-520-6447

Notes on the bulls:

The bulls were raised in a commercial type environment, evaluated and fed in a large contemporary group.

The bulls are semen tested by Bushnell Vet Service and are guaranteed breeders.

We encourage pick up of your bulls on sale day and offer a \$100 pick up discount. For a nominal fee, we can board your yearling bull, at your risk, until May 1. We also offer a volume discount on 2 or more bulls. We will be unable to board older bulls.

Sunnyhill Angus may keep a 1/3 semen interest in any or all of the bulls selling. The buyer gets full possession and salvage value.

Check the American Angus Association website for updated information on all the registered cattle and AI sires. The values given in this sale book were as of February 2. There will be updated printouts sale day with yearling, scrotal and ultrasound data.

GE-EPDs from Zoetis! GE-EPDs combine pedigree information and performance data from the animal, its relatives and progeny with i50K genomic information. It more dependably ranks animals for profitable selection decisions. Available on several bulls.
