# Hello from Sunnyhill Angus Farm!

**Welcome to our 28th Annual Production Sale. We've been blessed again this year with excellent crops and calf crops that we are excited about. We continue to enjoy our extended family of exchange students and friends, but the biggest blessing of all was the arrival of grandson Thaddeus!**

**We feel this year's offering represents cattle that will work and be profitable for our customers. We appreciate each and every one, whether you're a long time buyer, first time buyer or just interested in Angus cattle. We are a long way from perfect, but continue to do our best to solve any issues that arise. A big thank you to Bethany Hillman and Spencer Anderson for working with the cattle this cold winter and as always, we stand behind the cattle 100%**

**Sincerely Kent, Wendy and Emily and Thaddeus**

## Comments from the sale manager

### ***GENERATIONS OF GENETICS - THE 28TH ANNUAL SALE***

Established in 1940, the Sunnyhill Angus herd is enjoying more than 75 years in the Angus business along with AHIR records that date to 1976. This 28th Annual Angus Production Sale held at the farm near Fairview, Illinois, will feature another outstanding group of bulls and females. Spring yearlings, fall yearlings and older bulls will sell with females that represent a cross section of the herd.

The pedigrees are stacked with leading sires for a combination of calving-ease, performance, maternal strength and carcass merit. Highlights include several of the very best heifers ever produced and offered by Sunnyhill. I believe that this is an event that you will not want to miss. Sires including KCF Bennett Fortress, Musgrave Invision, Connealy Guinness, KCF Bennett South Side, Quaker Hill Rampage, Connealy Final Solution, VAR Reserve, SAC Conversation and Mohnen Impressive. Selling will be 40 Angus bulls including spring and fall yearlings as well as 2-year-olds plus 40 Angus females including open and bred heifers, cow/calf pairs and spring bred cows.

It is a privilege and pleasure to work with Kent, Wendy and Emily in the presentation of this solid sale offering that is sure to please. Undoubtedly you will be impressed with what you find.

Please don't hesitate to call on us at the American Angus Hall of Fame if we can be of assistance with your selections. We are here to serve.

Tom Burke, Kurt Schaff, Jeremy Haag

Yearling Bulls

Notes on the bulls....

The bulls were raised in a commercial type environment, evaluated and fed in a large contemporary group.

The bulls are semen tested by Bushnell Vet Service and are guaranteed breeders.

We encourage pick up of your bulls on sale day and offer a \$100 pick up discount. For a nominal fee, we can board your yearling bull, at your risk, until May 1. We also offer a volume discount on 2 or more bulls. We will be unable to board older bulls

Sunnyhill Angus may keep a 1/3 semen interest in any or all of the bulls selling. The buyer gets full possession and salvage value.

Check the American Angus Association website for updated information on all the registered cattle and AI sires. The values given in this book were as of February 2. There will be updated printouts sale day with yearling, scrotal, 50K and ultrasound data.
