ANGUS MEDIA Visit the *Angus Journal* Web site, www.angus.org and view this sale book online. *References: American Angus Association®, AHIR®, AngusSource®, CAB®, Pathfinder®.* EPDs current as of Feb. 14, 2020. Updated EPDs can be viewed online at www.angus.org. The American Angus Association does not generate nor endorse \$C numerical ranks (versus percentile rankings) until \$C numerical ranks are officially released.

Welcome to our 30th Annual Bull and Female Sale. After 2019's weather, it sure feels good to see baby calves running over the hills again. For cattlemen, a new calf crop always reminds us of better things to come.

This year's sale offering is proof that our many years of the use of balanced trait AI bulls is exponentially accelerating performance in our cattle. Our bull crop is the stoutest, best performing group ever and all their EPDs and AHIR numbers back that up. 80% of the sale offering is AI sired and the pedigrees have 40 years of balanced performance AI sires in them. The hottest show bulls or extreme numbered sires have not been used in our breeding program.

We appreciate all of our customers and really enjoy hearing reports of sale topping feeder calves in Wisconsin, longevity and breeding soundness in our bulls, and docility in all of our cattle. We try hard to produce a great product and are glad to help with any problems. 70% of our customers are repeat customers. We are always glad to talk cattle and discuss our sale offering.

Sincerely,

Kent, Wendy, Emily and Thaddeus Schleich

COMMENTS FROM THE SALE MANAGER

SUNNYHILL ANGUS FARM - GENERATIONS OF GENETICS

It is a pleasure to join Kent and Wendy Schleich as they present their 30th Annual Angus Production Sale featuring generations of genetics. The Sunnyhill program has become known as your Midwest source for decades worth of performance selection. The Sunnyhill Angus herd was established in 1940 and has been processing AHIR records since 1976 as one of the longest established Angus herds in America today.

Selling will be 35 outstanding Angus bulls including spring and fall yearlings. The pedigrees are the strongest ever and include a large selection of bulls suited for heifers. In addition, 50 Angus females will sell comprised of open heifers, spring bred cows and cow/calf pairs, fall bred cows and fall heifers. Featured sires include SS Niagara Z29, Woodhill Blueprint, KCF Bennett Fortress, Tehama Tahoe, Bennett Fortress, TEX Playbook and more.

It is a pleasure and privilege to work with Kent, Wendy and Emily Schleich in the presentation of this sale offering. Undoubtedly you will be impressed with what you find. Please don't hesitate to call on us at American Angus Hall of Fame if we can be of assistance in anyway. We are here to serve.

Sincerely,

Tom Burke

Notes on the Bulls

The bulls were raised in a commercial non-pampered environment, evaluated and fed in a large contemporary group. The bulls are semen tested by Bushnell Vet Service and are guaranteed breeders.

We encourage pick up of your bulls on sale day and offer a \$100 pick-up discount. For a nominal fee, we can board your yearling bull, at your risk, until May 1. We also offer a volume discount on 2 or more bulls We will be unable to board older bulls.

Sunnyhill Angus may keep a 1/3 semen interest in any or all of the bulls selling. The buyer gets full possession and salvage value.

Check the American Angus Association website for updated information on all the registered cattle and AI sires. The values given in this book were as of February 14. There will be updated printouts sale day with yearling, scrotal, 50K and ultrasound data.

Number 2 YW EPD

Moderate calving ease

Powerful Hoover Dam mother

YOU'VE DONE THE WORK.

Get paid for it.

You've invested in good genetics.
You've kept all the records.

AngusLinkSM combines USDA Process Verified Programs with a Genetic Merit Scorecard that gives buyers confidence in your calves.

From age and source verification to cattle care and handling, you choose which programs make the most sense for you.

Group Age & Source: Verifies the group age and source of the cattle

Angus-Sired Genetics: Verifies calves are sired by 100% registered Angus bulls

Non-Hormone Treated Cattle: Verifies cattle have never received hormones

NeverEver³: No antibiotics, no hormones, no animal by-products ever

Cattle Care & Handling: Documents proper management, demonstrates quality commitment

Calf Management: Documents preventative health program

Genetic Merit ScorecardSM: Measures the genetic merit of calves for feedlot performance and carcass merit.

**Optional, not part of the PVP claims*

Easy and affordable, our customer service representatives walk you through the process.
